THE FINAL COUNTDOWN

THE GALLACTER UNLEASH THEIR MOST DESTRUCTIVE WEAPON

This final episode brings our heroes to the ultimate confrontation between the Human Race and the Alien Gallacters.

Hordes of spacecraft attack the planet. Giant alien machines descend from the sky. The final countdown begins as the Gallacter initiate their battle plan for the ultimate subjugation of the Human race. Their super-weapon will disrupt the weather patterns of the entire planet, unleashing the destructive force of nature upon the Earth and all of its inhabitants. In this final battle between the Human race and the alien Gallacter, Joe infiltrates the Gallacter Headquarters as the GATCHAMAN GROUP embark on their most dangerous mission without their second in command.

This surprising conclusion of the GATCHAMAN Series ties together the lives and deeds of the GATCHAMAN GROUP and their mysterious ally, the Red Specter... with both tragic and unexpected revelations.

This new, three volume mini-series, continued from the 1970's and 1980's hit TV series "BATTLE OF THE PLANETS" and "G-FORCE", has never been seen on U.S. TV.

SCORCHED BY THE DRAGON'S FIRE

Faaren is a peaceful and happy realm, ruled by a wise King... until the Demon Lord Ackdam overruns the kingdom with his black legions and terrifying dragon, killing the King and capturing the Queen. But the King's young son, Sirius, is swept away to safety and grows to be a powerful young warrior, tutored in the ways of swordsmanship and chivalry by his father's loyal minion, Rias.

Together Sirius and Rias protect the helpless villagers from Ackdam's tyranny...until the day they come face to face with the demon Zagi, a servant of the evil Lord, able to shapeshift into a fearsome dragon. Captured and imprisoned in the castle, Sirius learns that the mother he thought was long-dead, is still alive and held captive. He must set her free, and avenge his father's death. But in doing so, he will have to battle the limitless powers of the monstrous dragon Zagi.

MEET THE DRAGON SLAYER

Disappear into a bygone time, to a mystical land where demons and sorcery build kingdoms as surely as swords and armies... where shapeshifting warriors clash in bloody battle and a boy reaches manhood tempered by the flame of a dragon's breath.
